GREAT THINGS COME IN SMALL PACKAGES

Don’t let the size fool you, this step stool packs a lot of power. Rated at 375 lbs, it is built to withstand those heavy duty jobs. The multifunctional top is one of a kind. Need a place to cut your boards? It can do it. Need space to move around? It’s compatible with our planks and can be used to build a scaffolding system. Need a little boost to reach that spot? Step on up to this step stool. When the job is done, just pick it up and go.
**TWIN STEP STOOL**

**SERIES L-2433**

1. **Multifunctional End Caps**
   Allowing the user to place and hold 2", 4" & 6" lumber and tubing for construction
