FIBERGLASS EXTENSION LADDER

375 LBS LOAD CAPACITY
(Includes weight of user plus materials)

LIGHTWEIGHT BUT POWERFUL.

All the upgrades without all the weight. The lightweight extension ladder featuring MAXLOCK - the strongest, toughest, lightest rung lock able to withstand brutal transportation and handling. A double rope and pulley system located on the side of the ladder and out of the way of the steps. Double action swivel safety shoes and D-shaped Rung to Rail connections. The lightweight ladder for the toughest jobs.
