

TRIPOD

SERIES FT1500

TYPE IA

300 LBS

LOAD CAPACITY

(Includes weight of user plus materials)

FIBERGLASS TRIPOD

MADE TO FIT WHERE YOU CAN'T

When the job gets tight, you need the Tripod ladder. Built to go where other ladders can't, its third leg can fit through studded walls, over toilets, and in corners. This hard working ladder features the RaptorTop with all the tool slots you need and the Raptor boot on all 3 shoes. At up to 15% lighter, this Tripod is a necessity on your job site.

UP TO 15% LIGHTER

RAPTOR TOP

ALLOWS ACCESS TO TIGHT AREAS

INCREASED STEP SURFACE

TRIPOD

SERIES FT1500

1 Raptor Top™

Holds every tool for any job within reach.

2 Center Pull Spreader Brace

Ergonomically easier to open and close the ladder.

3 Heavy Duty Reinforcements

Double-rivet heavy duty reinforcements on every step.

4 Raptor Boot & SHOX™

Raptor boot now on all 3 feet; delivers maximum protection and durability for your ladder.

Shox™ advanced impact absorption system offers superior protection against damage.

5 Step Surface

Wider steps give more room to work comfortably.
